

## Faria Limited Warranty

During the initial warranty period of 36 months from date of original retail purchase (12 months on fog resistant lens, Fuel Manager, Depth Sounder, Commander-Speedo, Commander-Tach, Pilot I, Pilot II, MG1000, MG2000 and MG3000 and 24 months on Senders, Transducers, Triducers and Smartducers), any instrument(s) that fails due to defects in materials or workmanship will be repaired or replaced at Faria Marine Instruments' option at no charge.

Once beyond the initial warranty period the repair fees listed apply. Upon completion of repair or replacement the applicable initial warranty period of 36/12 months is then renewed.

To submit a Warranty Claim or Repair, go to our repair website; **warranty.faria-instruments.com**, and complete the form. You will be given an authorization number to return the instrument, postage prepaid and packaged to prevent damage while in transit, include your name, address, daytime telephone number, sales receipt, and a brief description of the problem. For all non warranty repairs a shipping and handling fee of \$12.50 will be applied to the repair for standard shipments.

Your part(s) will be promptly returned to you once analyzed, repaired or replaced. Instrument styles which are no longer manufactured, may be replaced with a similar instrument of equal or greater value.

If you have questions call **Faria Customer Service at 1-800-473-2742** weekdays 8:30 a.m. until 5:00 p.m. Eastern Time. One of our Marine Applications Specialists will review the problem with you in detail.

Removal / reinstallation expenses, any damage to an instrument resulting from natural disasters, misuse, neglect, accident, misapplication, improper installation, unauthorized repair or alteration, and instruments purchased prior to March 1, 1985 are not covered by this warranty. Instruments returned to Faria® Marine Instruments that are not covered under this warranty will be repaired or replaced at our nominal service rates or returned to you as is, at your option. Faria® Marine Instruments expressly disclaims any liability for incidental or consequential damage caused by product defects. Some states do not allow limitation on how long an implied warranty lasts, so the above limitation may not apply to you.
